

Go tell America to repent - Anton Sawyer

Anton Sawyer, Tuesday 15 May 2007 - 01:59

Anton Sawyer is from South Africa. Her husband, Vic Sawyer was formerly a professional Football player. They were both saved about 20 years ago. He was head deacon in their church, but felt his giving money to God's work was sufficient. About 5 years ago, God began to deal with Anton. She was saved 22 years ago, and the difference between she and her husband as he puts it, was that she got "sold out" and like Elisha, she said, "Lord, I want that double portion!" She's paid the price. He said, "I cannot confess that". He is a businessman, and for years copped out behind the story that he gave to God's work, but it wasn't a sacrifice. He hid away behind the business for 3 years ... was completely backslidden, sitting in the front row of the church, and then God started giving Anton a prophetic word and Vic was still disobedient, so God started wooing him to go. He said he'd go, but didn't ... He went to Wimbledon for 5 years, because he was a macho man who enjoyed sports ... but finally, the Lord showed him the anointing on this lady ... (his wife). He hears his wife 4 or 5 times a week give this message that hits like a sledge hammer ... A message to the church and to this nation.

ANTON NOW SPEAKING ...

Background - She was a beauty queen and a model, not a candidate for the gospel, and not one to carry a message to a nation to tell a nation that they need to repent, but when God takes the most unlikely character to do His work, He says, "I will take the foolish things to confound the wise." And she says, "I'm a foolish thing."

"God began to speak to me in visions, and when God gave me these visions, I thought, Lord, am I hallucinating? And then God said, 'I want you to go to America and tell them to repent!' I said, "You must be joking!" I said, "God, who would believe a housewife?" I said, "What options do I have?" He said, "Jonah." I said, "God, I have no intentions of being in the whale's belly, I'll go first time round, but speak to me and confirm to me in scripture that you're on my side!"

He said, "I'm going to give you a forehead like flint. You will speak to the people and you'll speak what I put into your mouth ... there'll be times when I tell you to be silent, and you be silent, but when I tell you to speak, you open up your mouth and you give the word I have put into your mouth, because if you don't, I will make a fool of you publicly!" Then God said, "Don't look at their faces, just give the word, don't look for results, just give the word." He said, "Whether they hear or whether they hear not, don't let that worry you, you give the word because I'm about to bring a divine visitation to this country" ... (And this country's not ready to have God in the divine visitation that He intends!) Because God said, "When My glory descends ... My Glory and sin cannot be in the same place together. God says, "My glory consumes sin! If I were to visit the church in the condition she's in now, My people would be consumed like Ananias and Sapphira!"

GOD GAVE THREE VISIONS:

Anton said, "God spoke to me concerning:"

- » THE BELIEVER
- » THE ARMY OF GOD
- » THE CHURCH

THE VISION OF THE BELIEVER This is how the picture came to me ...

I saw, as it were, people lying across the face of the earth in a drugged state, unable to get up, just lying in a sick, apathetic condition. Then I noticed standing every now and again ... there was someone standing upright, covered with a sheet of Shekinah Glory that penetrated right up into the throne room of God!" I said, "God, what am I seeing?" Then I noticed a thick jet black layer of darkness like a blanket pressing down on these people. I said, "Father, what am I seeing?" He said, "The people, (and listen carefully ... He said, "The people that you see lying in this sick condition are My people, THE CHURCH". I said, "Who are these standing upright?" He said, "They are the few intercessors that are to stand in the gap, and it is their prayers that are going to move My arm to bring to rescue My people in this sick condition."

I said, "God, what is that blanket of blackness?" ... and it's almost like God's voice changed. He said, "Those are the sins of My people." I said, "What do you mean, Lord?" He said, "Outwardly righteous, but inwardly filled with corruption, and the Holy Spirit's saying, 'I cannot live in this corruption. This Bride is being prepared to meet the Father. She cannot come into the Father's face in this

condition, and so I'm going to purify My Church!"

And next, I saw a pair of hands, so sharp, pierce into this blackness and just push it aside ... and the darkness changed into the most grotesque demonic figures, and they began to fall backwards on each other. They were yelling with a loud voice ... and they said, "Our time is short ... we've got to work quickly!"

You know, as these demons were falling over, the Holy Spirit said, "There's a tidal wave of deception flooding into the church, and My people do not know the difference between truth and error any more! They are eating any bait that is thrown up. There are hirelings standing behind the pulpit, and God help them, they're leading people astray!"

God said, "I will bring a judgment on them!" I want to say to preachers tonight ... "If you're not called of God, get out from the pulpit, because if you know the judgment that is going to come upon you for standing in that position and leading God's people astray, wake up before it's too late, there's still time to repent.!"

But suddenly, when God pushed this opening, I noticed a wind just came blowing down on God's people ... and I noticed God's people began to rise ... and the next thing, they were standing upright, and I said, "Lord, what's happening?" He said, "Tell the believer who's been a pew-warmer all this time, I'm going to breathe a new fire on them, I'm going to release them in the innermost being ... out of them is going to flow a river of living water. I'm going to be set free in My people who've held Me captive." God said, "I'm going to bring about a new thing. I'm going to revive them. I'm going to restore them, and I'm going to renew them ... and I'm going to make up the years that the locust have eaten, but listen" ... God said, "There's going to be a choice. There's going to be a people of God who only want to play church who will not hear the call ... who will not heed the word ... and there are going to be those who are crying out" and God said, "Those who will listen, I will do a new thing." He said, "I will do this ... they will speak to the blind, and the blind will see!" It won't be left to the hierarchy ... the pew warmer is going to discover the power of God like we've never known it before! As a matter of fact, God says that the name of great evangelists and the mere pew warmers ... the gap is closing ... there's going to be one only who is going to be elevated and His name is JESUS! God said, "A new thing ... pour out of them". The shipwreck they've made of their lives, the chaos they've done ... you know most of God's people are in this condition ... cause the only spiritual diet they ever get is what the minister feeds them on Sunday. They never go into the Word themselves to discover ...

"Is the minister telling the truth?" Sad as it is, there are men standing with clerical collars who are preaching anything but Christ. He said, "If I, Jesus, be lifted up, I'll draw all men unto Myself!"

VISION OF THE ARMY OF GOD

Anton continues saying, "I saw an enormous crowd of people walking through the most barren territory you've ever seen, like a wilderness. There wasn't one person that wasn't damaged ... everyone had a scar." I said, "God, who are these weak, weary, crippled people?" He said, "My army." I said, "You call that your army? It looks like an emergency ward." He said, "Behold, what I am about to do!" And with that, I noticed shadows hovering above God's people ... they were walking, some stumbling, some on crutches, some bandaged ... not one that wasn't wounded ... they were hurting, they were useless. Someone fell, and as they fell, I noticed this shadow ... Suddenly a vulture swooped down as this victim fell and took a huge chunk of flesh. I said, "God, Your army hasn't a chance ... they're so weak, depleted, in such a useless condition ... and when they fall, the vultures come to eat them."

He said, "Behold, what I do!" An angel, with the speed of lightning, moved through the entire army and placed a mirror on everyone's forehead and yelled ... "Look up for your redemption draweth nigh!" And as these weak, weary people lifted up their feeble heads and looked heavenward ... higher ground ... Up came the sun from behind the clouds and the glory was reflected off those mirrors with such awesomeness, that the vultures backed up and they could no longer harm God's people.

God said, "Tell My people ... I'm the glory and the lifter of their heads!" In Joel 2, you'll see the army I'm about to raise up ... fire will go before, and fire will go behind them. They'll scale the heights. They'll run on the walls ... even when they fall on the sword, they'll not be wounded. The world has looked on this army and they've pointed a finger, and they've been shaking their heads and saying, "I don't understand." But I'll tell you what ... They're going to see a difference. Do you know why this army is so chaotic? We're the only army that are stabbing our own people ... we kill our own people ... and why is this army in such chaos? No one knows their job description. God says, "There are too many heads leading in too many different directions ... bringing such division in the army. Joel 2 says, they will know their ranks and they will know their position, and no one will crowd out anybody! We aren't anywhere near where that army should be.

God said, "I am going to be the leader of this army and with My voice, I will speak and My people will hear what I have to say ... and each one will know his job description."

Anton says, "I want to encourage people watching tonight ... If your job description is that size (small) in God, and someone else's job

description is that

size (large) ... if you fulfill your job description, you'll get the same reward as someone with the larger job description. You see, God says, "All I want from you is total obedience ... I'm tired of your sacrifices ... I want your obedience. If you've fulfilled your job description, that's all that matters."

People have said to me (Anton) "Surely your husband should be the preacher." When you come to salvation, if God's people would realize this ... we become divinely owned property. You no longer have any rights other than the authority God gives you over the enemy. We have no rights but to report for duty to be instructed by the most high God. God's people no longer fear God! They treat Him with disrespect, and God said, "My people need to come back to the place where they realize who they are dealing with" We think of God as some Santa Claus that we say "Jump here! Do this! Go there! ?Fetch. this!" God says, "My people need to get their priorities right ... they need to know who is God and who is the servant! Who is at who's feet?" But God said, "I'm going to lead this army, and they're going to be champions. The enemy will come, but the GLORY reflected from their lives, He (Satan) will back off because he will not be able to touch them!"

THE THIRD VISION -- THE CHURCH

The first scene took place in heaven.

When God speaks to me, it's so simple, that you can almost miss it. Nothing spectacular, just simply the illustration is given to me and then God gives me the scriptures.

The first scene:

I saw what looked like angels carrying a guided missile. They placed the missile into the bow, stepped aside, and there was a silence that you could hear ... uncanny ... and next I saw a garment moving, and I saw the feet of Jesus, and I realized that the Lord was walking towards the bow.

He walked up, took His awesome arm (I saw the nail prints, and I knew it was Jesus) as He directed the bow towards the earth. He just pulled with His arm and let it go, and it came hurtling toward the face of the earth's surface. As it reached the earth's surface, the atmosphere, it divided into splinters ... thousands upon thousands of thousands ... all over the entire face of the earth.

I said, "God, what are You doing?"

The next scene took place on earth:

And I saw a church building completely burnt out, and I found the people walking around the church, weeping and wailing and crying ... and I said, "Oh God, "Look how much they mourn!" Then God's voice changed ... He said, "Mourn? My people mourn?" He said, "They're crying over buildings that they've erected and now are brought to naught ... did they ever cry for the souls that were entering into the chasms of hell while they built palaces?" God said, "I've heard day and night the cries of men and women and young people crying out to be delivered from the chasms of hell! Do you know what the bible says? "Hell hath opened up her mouth and enlarged herself, and she swallows the multitude!" And God said, "I hear that multitude being swallowed. I hear their screams, and you say, 'My people weep'?"

I said, "God, what have you done?"

He said, "Go to the front door."

When I got to the front door, there was one of the splinter arrows right through a scroll. He said, "What do you read?" I said, "God, I read the word ICHABOD!" He said, "Yes, My glory hath departed!"

I said, "Why, God?" Now listen carefully ...

God said, "My people have pushed me out of my sanctuary and they've made the IDOL OF ENTERTAINMENT THEIR GOD! He said, "I am a jealous God! I will share my glory with no one!" I have warned My people ... It is a terrifying thing to fall into the hands of a living God! I spoke to My people through the word. I spoke to My people through prophecy. I brought preachers, teachers, laymen, but My people did not hear My instructions. They were too busy playing church!"

I said, "God, when are you going to do this?"

He said, "I've already begun!"

I want to tell you when I travel, I have seen "ICHABOD" written across some of the churches.

God said, "When man begins to think the church is 'his work', and he tries to control it ... and he tries to monopolize it, he is treading on dangerous ground! And when the people come to church to be entertained and to have concerts, they have forgotten that My house is a house of prayer. They have forgotten that they've come to the house of God to hear from God, but My people are playing around the golden calf and they think they're hearing God." It's time God's people WOKE UP!

God says, "I'm bringing judgment because they've refused to listen" ... but He's giving a choice ... God said, "That's why I'm sending you and many others to tell this nation to get ready for a divine visitation."

The next scene moved:

And I came and saw a building that was again on fire, and I heard the most incredible singing. The more the singing rose up to heaven, the greater the fire, and I said, "God, are you burning this one out as well?"

He said, "Look what I do." Next, the roof of the church began to open. God's people had access into the very presence of God and back into the gathering, and back into the very presence of God. There was such an awesome sovereign presence of God that they were overwhelmed, and the fire grew bigger.

I said, "God, what are you doing?"

He said, "Go to the front door" ... and there was another splinter arrow, and God said, "This one I have written with My own hand!" He said "What do you read?"

I said, "God, I read REVIVAL!"

He said, "Do you know what revival is? Tell My people getting goose bumps the size of molehills, chills running down their spine, shaking hands and vibrations, is NOT REVIVAL ... that's My blessing! REVIVAL is to PURIFY and CLEANSE the temple, that it may get ready for the GLORY OF GOD! Revival is when GOD IS IN CONTROL!" He said, "When My people allow Me back into the sanctuary as God, My house will be purified, My house will become a house of prayer, it will become a house of power, then signs and wonders will again occur, and My word shall become awesome in the gathering, because they will use the name of Jesus which the modern church today hardly finds the place for." And I want to tell you, Almighty God, when He hears the name of Jesus ... heaven stands still. God says, "When My Son's name, JESUS, is once again spoken in the gathering, when My people use the WORD, and the clear WORD ... not all the infiltrations we put into the word, so that we don't know what God has said ... and what man has said. And the Lord said, "I'm going to strip every tree that My Father has not planted, and I'm going to pluck them up."

We've made God's word virtually null and void. We've filled it with philosophies. We've filled it with man-made ideas! God said, "My word is not man made ideas! I'm going to strip all the modifications that we've place on My word, all those infiltrations, all those compromises." He said, "It's going to be the power of My word." The blood of the lamb is going to cleanse God's people ... the name of JESUS is the signature to seal it all ... the anointing of the Spirit ... those are the people who must get the GLORY, NOT US!"

Then God said, "Tell My people, "I'm coming to visit them in a blanket form. My Glory is going to descend into the midst ... and if My people are not ready for My glory ... Ananias and Sapphira will happen in the very presence of the gathering." Then God said, "Tell them, 'I said to Moses, Tell the Israelites I'm coming to visit.' The Israelites were so excited. They said, "God is coming to visit!" They had no idea who God was, and I don't think the children of God today have a clear understanding of who God is. They treat Him disrespectfully.

Do you know what those people had to do? They had to clean up. They had to be purified. Their homes, their lives, their clothes, and that is why God is saying to us that we come as a warning to the house of God, which has gone into captivity. This nation that was born on "In God We Trust!", has turned from "In God We Trust", and they trust in every other IDOL that they've elevated more than God ... And God said, "Children, I'm coming to visit!" When the children of Israel heard God was coming to visit, they were so excited ... but I tell you, when God did visit, they nearly died of fright. The bible tells me the earth shook. There was a trumpet sound that was awesome. The smoke billowed and God's people who only a few days before were saying "Hallelujah! He's coming!" ... began to back off ... got on their knees because you know when God's presence becomes closer, you start to see yourself as you really are! The camouflages fall off, the justification falls by the way side, the compromise no longer covers you up, and I tell you, the fig leaves fall, and you're naked before God. Do you know what He said? "I'm coming to visit My people, and My glory is awesome!"

I said, God, I don't understand your glory". (I've got a grandson which I absolutely adore) and He said, "What do you desire most?" I said, "I want to love that grandson. I want to hold him and kiss him and love him."

"What if I told you that My glory was upon you and you couldn't even look at that grandson?"

I said, "God, that would be the cruelest thing You could ever do to me ... 'cause I know I would forget and I would want to touch him, and that child disintegrate in front of me".

And God said, "That's what My glory does to sin!" He said, "Adam and Eve were in the garden, clothed with My glory ... we communed face to face." When they sinned, the glory fell off and God said, "I wanted to embrace them, but I daren't because My glory would consume them" ... and so God, the Father, had to back off, and Jesus became the way. Jesus stands between us and the Father, You know, the sun shining down on this earth has got too deadly rays. If they weren't deflected by the earth's atmosphere, we should be consumed. If Jesus didn't stand between us and the Father, we would be consumed, but you know what Jesus says? He says, "Bride,

I'm getting you ready for glory! I'm going to get you purified. I'm going to get you holy, because I want to present you to My Father, faultless, that He may touch you, that He may embrace you, that He may hold you to His bosom without you being consumed!"

Then God said, "Go to every place where I opened the door for you in this country and tell them they have a CHOICE ICHABOD OR REVIVAL!!!

Then David Sapp sings the song, "There Is A River".
